

Position Announcement – Director of Legal Services

Christian Legal Aid of DC (“CLADC”) is seeking to hire a Director of Legal Services, beginning as soon as possible. CLADC was formed in 2007 to provide free and low-cost legal services to low-income individuals and families while demonstrating the love of Christ. We conduct three monthly legal aid clinics around the District (currently held virtually) and provide advice, services, and representation primarily in landlord/tenant, probate, estate planning, expungement, and Social Security disability matters.

At CLADC, we envision a city where those in need know they can turn to the Church, and Christian attorneys are eager use their skills to advance justice and show the love of Christ. CLADC exists to join the legal resources God has given this city with the legal needs of those in poverty. We do this by connecting and equipping volunteer attorneys who serve our clients and expand their access to justice. By mobilizing God’s people to do God’s work we believe God is glorified and our neighbors see his love.

The Director of Legal Services will focus on expanding access to justice by equipping our robust and committed volunteer network to provide legal services, and increasingly take on cases for extended representation. As such, the Director should be committed to Christ, passionate about serving others, and find joy in teaching, mentoring, and coaching volunteer attorneys to meet the legal needs of the most vulnerable in Washington, DC.
